

To: Cornwall Record Office, County Hall, Truro, Cornwall, TR1 3AY

Please supply me with microfiche copies of the register(s) listed overleaf, required by me for the purposes of research or private study. Copies are **£1.50 per fiche (not per register) inclusive of VAT and a £5 handling charge per order**. A proportion of this will be used to maintain the parish collections in our custody. Orders are subject to the following:

- Our agreement with the Diocese of Truro covers baptism, banns, marriage and burial registers which belong to the individual parishes, except Illogan, Maker and Rame which we are unable to copy. Currently, we are also unable to produce copies of post 1837 marriage registers as they belong to the Registrar General, though this is under discussion.
- Only registers which have been microfilmed can be copied.
- The Cornwall Record Office does not keep a stock of microfiche copies for sale; copies are made from the master fiche for each order and therefore the copying process can sometimes take several days to complete.
- Whilst every effort has been made to achieve the best copy available, some original registers are in poor condition, and a degree of clarity is always lost when filming. The Cornwall Record Office cannot therefore guarantee the legibility of individual registers. **Please contact the Record Office if you are in any doubt as to the quality of the register before ordering so that the quality can be checked. We are unable to offer refunds.**

All payments must be made in advance. Please complete the details below for payments by credit/debit card. Alternatively, should you wish to pay by other means please contact the office on the number overleaf.
